## HD Online Player (biohazard4moviefiledownload)

Each player can store nine items. Unlike previous games, item size doesn't matter; grass or a grenade launcher each take up one place, and four items can be laid out in a square. In this case, in each column you can place from 1 to 9 items, and in each row you can place from 2 to 4 items. The goal of the game is to fill the empty spaces on the board with objects laid out in a square. At the same time, it is forbidden to fill empty cells in the corners of the board. The rules do not differ much from the rules of the previous game. The game ends when only one object remains on the board. From two to five people can play at one table.
